

mdtDeviceModbusWagoModule

```
classDiagram
    class mdtDeviceModbusWagoModuleRtd
    class mdtDeviceModbusWagoModule
    mdtDeviceModbusWagoModuleRtd --|> mdtDeviceModbusWagoModule
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'mdtDeviceModbusWagoModuleRtd'. A blue arrow points upwards from this box to a gray box at the top labeled 'mdtDeviceModbusWagoModule', indicating that the bottom class inherits from the top class.
