

src/mdtutilsgui/mdtSqlRelation
Item.h

```
graph TD; A[src/mdtutilsgui/mdtSqlRelationItem.h] --> B[QSqlField]; A --> C[QString]; A --> D[QVariant];
```

The diagram illustrates the dependencies of the header file `src/mdtutilsgui/mdtSqlRelationItem.h`. Three blue arrows originate from the bottom of the top box and point to the boxes below, indicating that the top box depends on the three bottom boxes.

QSqlField

QString

QVariant
