```

The diagram illustrates a header file inclusion relationship. At the top is a grey box representing the header file 'src/mdttools/mdttesttool/mdtTtBasicTestNodeCalibrationTool.h'. Below it are two white boxes representing source files: 'src/mdttools/mdttesttool/mdtTtBasicTestNodeCalibrationTool.cpp' on the left and 'src/mdttools/mdttesttool/mdtTtBasicTestNodeCalibrationWindow.cpp' on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header.
