

src/mdtutils/mdtStateMachine.h

```
graph TD; A[src/mdtutils/mdtStateMachine.h] --> B[QStateMachine]; A --> C[QString];
```

The diagram illustrates the dependencies of the header file `src/mdtutils/mdtStateMachine.h`. Two blue arrows originate from the bottom edge of the header file box and point to the boxes for `QStateMachine` and `QString`, indicating that the header file includes or depends on these classes.

QStateMachine

QString
