The diagram illustrates a file dependency structure. At the top is a grey box representing a header file: 'src/mdttools/mdttesttool /mdtcablelist/mdtCIArticleLink Dialog.h'. Below it are two white boxes representing source files. The left box is 'src/mdttools/mdttesttool /mdtcablelist/mdtCIArticleEditor.cpp' and the right box is 'src/mdttools/mdttesttool /mdtcablelist/mdtCIArticleLink Dialog.cpp'. Blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
