The diagram illustrates a header file dependency. At the top is a grey box representing the header file 'src/mdtutilsgui/mdtMvSortingSetupDialog.h'. Below it are two white boxes representing source files: 'src/mdtutilsgui/mdtMvSortingSetupDialog.cpp' on the left and 'src/mdtutilsgui/mdtSqlQueryWidget.cpp' on the right. Blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
