

mdtSqlRecord

```
classDiagram
    class mdtCIUnitConnectionData
    class mdtSqlRecord
    mdtCIUnitConnectionData --|> mdtSqlRecord
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'mdtCIUnitConnectionData'. A blue arrow points vertically upwards from this box to a white box labeled 'mdtSqlRecord' positioned above it. This indicates that 'mdtCIUnitConnectionData' inherits from 'mdtSqlRecord'.
