

src/mdtdevice/mdtDeviceLos
Widget.h

```
graph TD; A["src/mdtdevice/mdtDeviceLosWidget.h"] --> B["QWidget"]; A --> C["QList"]; A --> D["memory"];
```

The diagram illustrates the dependencies of the header file `src/mdtdevice/mdtDeviceLosWidget.h`. Three blue arrows point from the header file box to three separate boxes below it, representing the classes or modules it depends on: `QWidget`, `QList`, and `memory`.
